## Old Business:

- [1] Bert reported that there is a new manager, he and Kim to meet with him tomorrow.
- [2] Doug reminded everyone that the Silent Auction will be the night of the Mark Morris vs R.A. Long Basketball game and everyone should be working on getting donations. Bert is working on getting an autographed football, Doug got a donation from Randy and Noi Price of a dinner for 4 worth \$400. Helene pointed out that we also need smaller dollar donations.
- [3] Bert and Kim met with Joan Enders about having plaques made for those who donated large funds towards the restoration of the paintings.
- [4] Helene had Scholarship Application completed and handed out but it was suggested by Mike Chess that we should change it to a Grant Application all agreed..
- [5] Bert did merchandise inventory at Doug's and said it looks good. It was discussed that maybe we should look into selling umbrellas and the polo shirts. Bert indicated that the umbrellas would cost about \$17.95 and should sell for about \$30.00 and the polo shirts the cost would depend on the style we pick but would probably sell for around \$25.00 to \$30.00. Bert will have more information for us at the next meeting.

## New Business:

- [1] Kim read a letter from an 87 year old alumni from the class of 1939, Phil Smith. He said he would pass on joining the alumni association because at his age and living out of state he didn't think he would get much value out of joining.
